

Project Description

Saint Joseph Health System seeks existing artwork for purchase to be on permanent display in the new Women's Hospital at Saint Joseph East. This is an excellent opportunity for Kentucky artists to sell work and be included in a highly visible display. Up to \$75,000 worth of art will be purchased by March 1, 2010.

LexArts will facilitate the call for art and artist selection process. Work should be appropriate for all ages. Two-dimensional work should be delivered ready to hang and priced between \$100 - \$2,000. Three-dimensional work must be suitable for outdoors, price not to exceed \$5,000.

Through the purchase and display of original artwork, Saint Joseph Health System hopes to enhance the aesthetic of the Womens' Hospital and provide exposure to local artists.

The selection panel will be interested in artwork in a variety of media and subject matter. A particular interest will be placed on the following:

1. Women/families/babies as subject
2. Work by Kentucky artists
3. Abstract work that is calming/uplifting
4. 2-D, stained glass, mobiles, 3-D outdoor sculpture

Artist's Responsibilities

Artists will retain 80% of sale of art. LexArts will retain 20% commission of sale. Artists will be paid within 30 days of the notification that work was purchased. Work should be priced as unframed, Saint Joseph will frame all work. Images submitted must be of work created by the artist and must be for sale. If a work is selected as a finalist, the work must be delivered by February 27 to the DAC ready to hang (picture wire or dring must be attached to back of work).

LexArts will insure work from February 27 through March 5. Artists are expected to pickup artwork that was not purchased on March 5, 2010. If work is not picked up within 30 days it will become property of LexArts.

Calendar:

February 22 Deadline for submissions. This is not a postmark deadline. Complete packets must be at the LexArts office.

February 24 Jury meets to select finalists.

February 25 Artists notified via email about delivery of artwork.

February 27 Artists deliver work to the Downtown Arts Center (141 East Main Street).

March 1 Artists are notified of work that was purchased.

March 5 Artists retrieve work that was not selected from the DAC.

March 23 Ribbon cutting at facility with opening reception for artists.
